Title: When God doesn't bless everyone, what can we do?

Topic: Luck is important, strong-willing, strive for it
Speaker: Yu Qi (余齐)

Goal: help those less lucky but respectable people, bless each other.

Information you've got from the talk (in phrases or sentences):

- ① Luck is of vital importance.

- ③ Stay hard-working and strong-willing, strive for it and exert all our strength.
- ④ Do what we can to honor and try our best to help someone less lucky but still respectable.

Questions (at least 2) to the speaker:

- ① Is your opinion somehow pessimistic?
